The final version of your manuscript must comply with IEEE Periodicals requirements for text and graphics processing. During the final submission process, please make sure all metadata in Manuscript Central is correct and complete. When this is confirmed, please upload:

IMPORTANT NOTICE: THIS PDF IS NOT SUFFICIENT FOR PROCESSING YOUR PAPER FOR PUBLICATION!! IT IS MANDATORY TO SUBMIT ALSO THE SOURCE FILES DETAILED IN STEP 1 ABOVE AND, IF APPLICABLE, IN STEP 3 BELOW.

3) If your figures are not embedded in the source file of your manuscript, you will also need to upload separate figure files. The acceptable formats are Word, eps, ps, tiff, ppt and excel. We do NOT accept png or jpeg files for figures.

4) Biosketches and photos of all authors. Biosketches should be uploaded at the same time as the other final files, if you plan to include them. These can be included at the end of your Microsoft Word or Latex source file, or submitted as a separate upload. For author photos jpeg files are accepted.

Please make sure that all files have unique file names in order for them to export successfully to IEEE
